

REQUEST FOR PROPOSAL

PROCUREMENT OF ENVIRONMENTAL CONTROLLING UNITS

Precision Engineering Complex-PIACL intends to procure Environmental Controlling Units of approx. 20 Ton capacity for its Optics Division, which will be placed at designated locations.

A well-established contractor registered in tax authorities with valid NTN certificate shall participate in the bidding process. Interested parties should visit the mentioned Site from 15/4/2024 to 25/4/2024 during the office working hours i.e. 10:30 AM to 04:30 PM to estimate the scope of work and accessories required for installation of subject units.

Sealed bids must be submitted with Pay Order of 5,000 (Non-Refundable) and 5% of the bid amount as security deposit (Refundable to unsuccessful bidder) on Prescribed Form. The bidding shall be carried out on single stage and single envelope basis (Only financial).

Last date of submission of bids is 26/4/2024 at 2:00 PM at Precision Engineering Complex and will be opened on same day at 3:00 PM.

Detail Terms and Conditions and Prescribed Form can be obtained from Manager Stores PEC Office during working hours.
